An emergent meeting is being convened today on 16th Dec/2023 in the Principals Chamber under the Chairmanship of Dr. Dipak Kr. Joshi, Principal of the College.

While defining the objectives of the meeting Mr. Mohan Ch. Tayens, Co-ordinator IQAC emphasised on conducting of green audit to assess and improve the sustainability practices in and outside the College Campus, reduce Carbon footprint and contribute towards a cleaner and greener environment. Moreover to contribute further to reducing Green house gas emissions and mitigating Climate change, Tayens also pointed out the need to install solar panels in the College Campus as well as in the Boy's and Girl's hostel.

The preparation of A & AR took the Centre stage of discussion. The Co-ordinator apprised the House about the difficulties confronting the collection of data during the administrative period of the two principals in-charge from 2016-17 to December 2021.

The following Resolutions has been unanimously adopted.

Resolution no. 1 - The meeting resolves to entrust the Principal to conduct audit of Green Energy, environment and energy at an early date.

Resolution no. 2 - The meeting also resolves that the steps to be taken by the Principal to install solar panels for

generating clean and renewable energy

Resolution no. 3 - The meeting resolves to initiate steps to retrieve data through all possible means and accelerate the preparation of AQAR.

The Chairperson giving heed to the aspects with concern delivered his speech & concluded the meeting.
